The 18th Annual International Intercollegiate Mediation Tournament will be held at the historic campus of Brenau University, Gainesville, Georgia on Friday and Saturday, November 10 and 11, 2017. 40 teams from all over the United States & beyond will compete. To successfully host this tournament, we will need at least 40 judges for each of the three preliminary rounds to be held on Friday and Saturday as well as some judges for the semi-finals and finals rounds to be held on Saturday. Your willingness to share your time and expertise is, as they say, priceless. We cannot host a tournament of this size without your help, so any help you can give on those two days is greatly appreciated. Also, remember, judging tournament rounds can be used as CE credits for the Georgia Office of Dispute Resolution. Below is the schedule for the tournament rounds, so just follow this link to Doodle and choose the rounds you would be able to judge. <https://doodle.com/poll/67hdky7s983kem93>
